### Recognising the Stages of Faith

#### Simplicity -

almost all kids are here  
You're either for us or against us. It's all or nothing.  
Right or wrong, good or bad. Good authority figures give the right answers. Everything is knowable - there is always an easy answer. Find identity in my group or with my leader. It's Us and them. Childlike, enthusiastic, judgemental. Life is a War

#### Complexity -

There's more than one way to do things. Life is a game, learn the rules, play to win. The good guys know how to do it, the bad guys do the wrong stuff.

#### Perplexity -

Everyone has an opinion. Who knows who is right? Life is a search, a mystery. Good people are honest about their questions.

#### Harmony/Humility -

Seek first God's Kingdom... love God, love neighbours... in essentials unity... focus on a few grand essentials. There is no "them" only US. Able to hold truth in tension Life is a quest.

from Brian McLaren

Not everyone is gifted the same, nor should we expect them to do the same thing... but each has a valuable gift to offer

In 2 Corinthians 13

Paul encourages the christians to test themselves, examine their own faith, in order that it may be proved true and grow.

What type of leader are you?  
what type of follower?  
Where are you on your journey through the scripture?  
your relationship with God?  
your understanding of the divine?
