

# INSTRUCTIONS

You need, per child: 1 pencil | 2 pipe-cleaners (or long one in 2 halves) | 3 head shapes (cut out)  
1 skirt shape (cut out) | cotton wool or wool for hair | scissors | glue | sticky tape

Glue the backs of the three heads and stick together around the pencil.

The first piece of pipe cleaner is the arms - wrap just the middle section round the pencil leaving the arms sticking out.

Wrap the second piece of pipe cleaner totally round the pencil to form the body.

Use sticky tape to form a cone for the skirt and slide into place (glue if needed).

Attach the hair using liquid glue.
