## Eutychus

### Sleepy revelations

Have you ever fallen asleep when you really wanted to stay awake?

I have....

*Missed the end of the movie*

*Been late meeting somebody*

*Missed some of the party*

*Fallen asleep in the car*

We all need to sleep but not many people (apart from babies) fall asleep in church!  
How do you think Eutychus felt when people told him he had fallen asleep? (circle the words in green)

*Amazed or Embarrassed*

*Excited or Ashamed*

*Alarmed or Comforted*

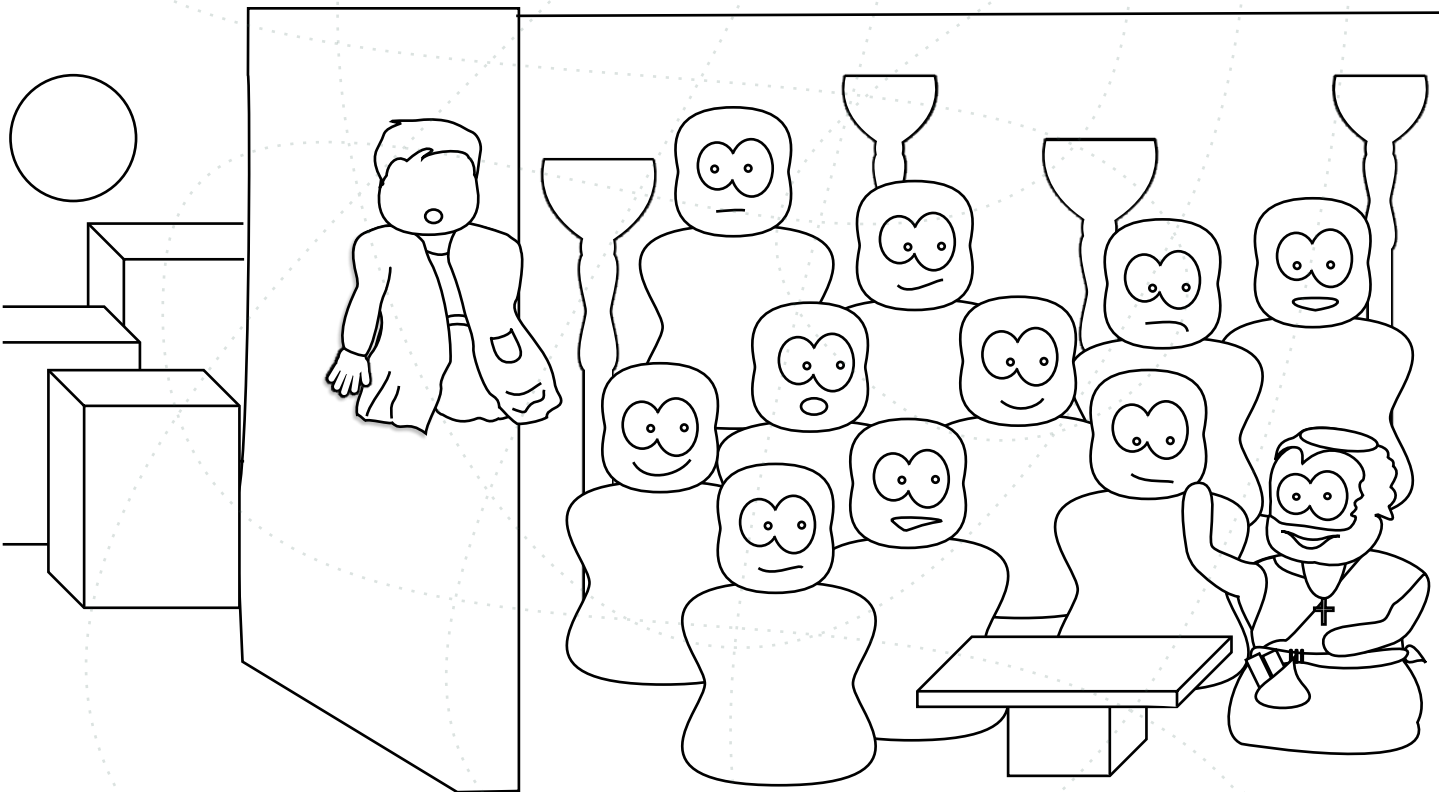

*Thankful or Sorry*

*Weak or that God is Strong*

*Silly or Sensational*

But sometimes God uses the strangest things to show how much he cares for us.  
How do you think the crowd felt when they found out Eutychus was ok? (circle the words in red)
