

Instructions

Colour the template if needed and cut out all the pieces, making sure to cut out the inside circle but not cut the outside shape - you may need some adult help with this. Take a blank page and carefully glue or tape the outside of the square to it. Glue James and John to the middle of a button. Slide the edge of the button inside the circle. Glue the words onto the small circle. Add glue to just the middle of the smaller circle. Attach to the backing page making sure to trap the button below and leaving the images of James and John on top.

James and John wanted to be great.
What did Jesus say they should do?

What is Greatness?

The central graphic features a large white circle with the text "What is Greatness?" in bold black letters on an orange background. Above the circle are three thrones: a blue one on the left, a red one in the middle with a crown, and a brown one on the right. To the right of the circle is a large green question mark. Below the circle is a blue question mark on the left and an illustration of a stack of gold coins with a hand pouring coins into a cup on the right.
