Little James

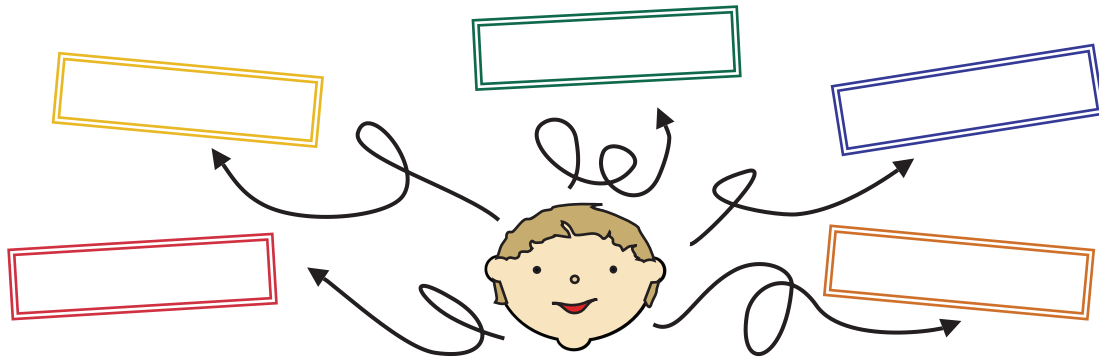

No less important

What do we know about the two James' who were apostles - complete the table:

	Great James	Little James
Chosen by Jesus		
Name of father	Zebedee	Alphaeus
Name of brother		some people believe Matthew.
Died for what they believed	YES	YES
Other nickname	Son of Thunder	"the minor", "the little", "the less", or "the younger"

Even though we don't know much about James we know he was important because Jesus chose him.

Think about the people you would chose to travel with - what qualities would you look for

Jesus calls us to follow him just like those 12 Apostles. Do you have any of the qualities you have written in above?

Some people will do great things, others will do great things we never hear about.

Think about the people who told you about God - are they famous?

Think about all the jobs God wants us to do in this world, will all of them be glamorous?

James is often called James the less, do you think that means James the great is more important?

**You are important to Jesus too
Make the 12th apostle you!**
