

Advent Journey to week 4

We the people of God
We have seen a new thing *
God has spoken
To an old man like Abram
That he too will be a father
His doubt has made him mute *
See he comes in the belly of an old woman
A child sent from God
We await the great prophet
He who will welcome the messiah
Before he was even born
He danced for the lord *
One day he will shout in the desert

“Behold he comes, the Messiah”

The story dances with Mary, who was told he lives!

He lives in your belly
He who we waited for
He will be the son of man
He will be the son of God
Jesus comes!
