You'll need:

Scissors, glue.

Instructions

Cut out all the pieces.
Fold the tabs behind on Jacob and the stone and glue to the base - if you want Jacob to lay down glue his head to the stone

Glue the small white cloud onto the cloud in the sky using the tab - avoid the dotted box

Glue the big white cloud onto the non printed side.

Split the tab at the end of the ladder, fold opposite directions and glue onto the ground where the dotted boxes indicate

Glue the top of the ladder in the sky where the dotted box shows.
