

JWL resources

You'll need:

Scissors and stapler

Instructions

Oh, dear! The apostles are all muddled!

Cut, leaving a blank rectangle to the left of each character.

Carefully cut each section to the edge of the rectangle.

Staple the rectangles together like (or "as") a book and try to reassemble a whole apostle.

(Alternatively, cut out all the pieces and use as jigsaws.)
